Dear Community Partner:

The Willow Grove Educational Foundation (WGEF) is pleased to announce that its sixth annual spring gala will take place on Saturday, May 2nd, 2020 from 5-10 PM at the Del Sur Ranch House. With the theme of a musical festival in mind, "WillowFaire" will be an adult-only event that features live music, dancing and a fun, fabulous dinner paired with raffles and silent and live auctions in an effort to raise vital and necessary financial support for Willow Grove Elementary School (WGES).

Invitations for this exciting event will be sent to more than 600 families representing over 800 students at WGES. Students attending WGES reside in the heart of the Black Mountain Ranch, Santaluz, and Torrey Highlands communities located between 4S Ranch, Rancho Penasquitos, and Rancho Santa Fe.

We would like to invite you to participate in WillowFaire as a way to achieve our fundraising goal. We are looking for event sponsors to underwrite event activities and our live auction. Your generosity will help the WGEF maintain technology and literacy resources, underwrite music and physical education instructors, underwrite teacher aides, and support a school-wide science program. We thank you in advance for your support in helping us continue to grow and improve education enhancements for all children attending WGES.

Please contact our Event Sponsorship Chair, Brittany Kirby | brittkirby@gmail.com or Foundation President, Danica Drykerman | willowgrovefoundation@gmail.com to participate in this exciting opportunity.

With sincere appreciation,

Natalie Lozano | Event Chair

The mission of the Willow Grove Educational Foundation is to secure funding to expand and enhance the educational experience of every student attending WGES. We are a 501(c)(3) non-profit public benefit corporation that provides funding support to WGES at a time when the state has made significant cuts to educational funding.
